NEXT TIME  
I'll get this right O.K?

In memory, let us consider Tim Hammond  
(not the Carl Jr. commercials' geek) who flew  
airs around that pool like no other, Mike Rick,  
who pulled 10- to 15-foot slide and rolls way  
back then, and especially the burly man,  
Steve Shelton, who ripped whatever he  
touched.
